## From the President

Firstly I would like to thank everyone who gave their help and support at this years Mudgeeraba Show and congratulate those who entered items and won prizes. It was once again a great turn out.

Keep an eye out for our new photo gallery which is being edited on our website and will be accessible shortly.

We have our Christmas in July coming up so everybody get in quick and buy tickets. Its a great evening for everybody to have a drink chat and laugh outside the clubroom.

Once again keep up the good work in the club, we are forever growing its great to see such a great interest and Welcome to all new members.

Until Next Time  
Eddie.

# Working bee....

Saturday **9th** of July.

We are having a major working bee.

So we are asking everyone to come and lend a hand.

Women kids, boys, there will be a job for everyone.

There are huge plans for the day. don't forget we all benefit from this so its appreciated if we have all our members helping.

Anyone who is available to do either of these please contact  
Greg Mc Guire [m McGuire.g@optusnet.com.au](mailto:m McGuire.g@optusnet.com.au)

- mounting the fan and preparing the cyclone for re-installation
- clean roof gutters ( please bring a ladder)
- landscape works ( please bring shovels, barrows, gloves ect. )
- mowing, whipper snipping and blowing ( please bring these items for extra )

# Christmas in July ....

Saturday **16th** July.

There has been a change to make it better for you.

For those who have attended a previous Christmas in July know its a great night of lies and exaggerated abilities piled up by cheap liquor of course..! The price is a cheap \$30 per head..

For each table of 8 you get a bonus bottle of red and white wine.

So come on everyone.. Get in a book.

Contact Warren. 55966886 or 0409696509 or [wjpauill@aapt.net.au](mailto:wjpauill@aapt.net.au)

Entree...

Your choice of one soup to be served with warm dinner roll.

Roast pumpkin and chestnut or Creamy potato & leak.

Main course...

A duo of basked honey glazed ham and turkey tenderloin stuffed with Christmas stuffing served with roast root vegetables, steamed seasonal greens and rich red reduction sauce.

Desserts...

( served on alternate drop)

Traditional steamed Christmas pudding served with warm brandy custard or Fresh baked sticky date pudding served with warm toffee sauce and whipped cream

Moved Col Wallis , seconded Alison Spalding that due to full classes on Monday and Tuesday night , that if 6 students would like to change to Thursday night , that Todd Beyers and Shane Kite open up Thursday nights. PASSED

Committee discussed the viability of the newsletter in it's current form. Courtney is not being given any editorial or help by the members, so it was discussed that the newsletter be discussed at the next AGM , in the hope that a current active club member may take on the task , gather the stories and send a PDF to secretary for distribution by email.

Moved Todd Beyers seconded Col Wallis that Noel Craig investigate new technologies and costings on security systems such as swipe cards . The cards can be set for a 12 mth period , then wiped clean and reset for next committee and tutor set. Should stop current problems with keys being untraceable. It also gives us the ability to track damage , entry times ect . PASSED

Moved Warren Paull , seconded Col Wallis that the clubs old 175 Vicmarc lathe be given to Ipswich Club to help after the floods. PASSED

Ray Mahoney asked the committee to approve the purchase of 2 signs for the shows. Moved Col Wallis , seconded Warren Paull PASSED  
The club open day has been postponed until a consensus is gained from members as to it's purpose , and effectiveness. The committee thought that goals may be achieved in other ways. To be discussed at next general meeting.

Moved Warren Paull , seconded Alison Spalding that Telstra and motor repair accounts be paid. PASSED.

Vince Wright asked the committee if the larger demo lathe be one of the 2 demo lathes at Mudgy and GC show. Purpose being to show general public the progression from log to cut block to platter . It was thought that some smaller, faster turned items could be shown on the small lathe , and larger items on the bigger lathe. Moved Warren Paull, seconded Noel Craig PASSED.

Meeting Closed 8.25pm.
